Robert G. Kowalski, R.Ph.
Acting Executive Director

On February 11, 2003 the Drug Utilization Review Council formally approved the following additions to the New Jersey Generic Formulary. The additions listed below are not **effective until March 17, 2003** when the list will be published in the *New Jersey Register*. On **March 17, 2003**, pharmacists may substitute accordingly for the respective brands.

The following drugs are listed alphabetically, in a format that represents the name of the substituted brand name drug (reference drug), the generic name of the drug product, the strength and the dosage delivery system of the drug products and the names of the approved generic drug's manufacturers.
